Dietary Concerns / Food Allergies

We will be glad to accommodate your needs. Breakfasts, welcome/farewell dinners and other group meals are included in your program. If you have any dietary concerns or food allergies which you would like us to accommodate, please let us know in the Arrival Details form before you depart for Europe.

Meals & Allowances

- You can request a \$1,600 meal allowance to be arranged through CEPA Europe. The charge will be made to your credit card or sent per invoice. CEPA Europe will give you the funds in cash on a weekly basis over the semester. This will help you/parents keep track of your funds, help you avoid having to bring large sums of cash with you to Strasbourg, and also prevent you from having to take out cash each week from an ATM or bank, thus avoiding high bank fees or additional fees for exchanging cash. If you are interested in this option, please contact us. There is no additional charge for this service.
- Your University of Strasbourg student ID acts as a debit card for the student cafeteria. A three course meal costs around 3 Euro and is the easiest and probably most affordable option. You can load credits onto the card on site and you will receive details at the University of Strasbourg orientation.

Roommates

If you already have made your choice of roommate, please let us know ahead of time. Otherwise, we will pair you with another student of the same gender.

Passport Picture

For your monthly public transportation pass, the public transit authority in Strasbourg will require a passport sized photograph. Please bring the photograph with you to Strasbourg. Your coordinator will assist you with getting your pass.
